

The Small Company that Delivers TOTAL Results!

North Shore Manufacturing is a small company practicing a very simple philosophy – to deliver complete results to our customers. For us that means producing the best possible castings for the lowest possible price. A consistent drive to improve our practice of low-overhead, high-quality-and-productivity operations assures you that your order from North Shore Manufacturing will be delivered to your TOTAL satisfaction. Our dedication to this philosophy extends to every aspect of our facility, equipment and staff:

- Innovative applications of automation
- Dedicated, high volume equipment
- Superior castings in both zinc & aluminum
- Committed-to-you team management
- Experienced design team
- Certified tool & die makers
- Complete die maintenance facility
- Stringent quality control
- In-house machining operations
- Ultimate-quality casting finishes

CALL OR WRITE TODAY TO FIND OUT MORE ABOUT OUR TOTAL-RESULT CASTINGS & SERVICES!

CONVENIENT LOCATION

North Shore Manufacturing is situated near two major interstate highways, I-94 and I-196. With convenient on-off accesses to secondary highways, our facility is easily located from any direction.
